ENCHANTED CIRCUS

Song & Dance Contest 2025

Just like all great circuses around the world, we will explore different types of characters found under the traditional red and white tent. The Song and Dance Contest merges the power of narratives with the allure of visual entertainment, leaving an irreplaceable mark in the memory of every student, parent and friend who comes to enjoy one of the oldest traditions of our School.

Tonight, we are inviting you to sit back and enjoy the stories where the deepest and darkest secrets of a controlling circus, managed by a narcissistic Host, are being revealed. A curse has been cast on every act in which only one character will be able to retrieve the magic quill and break the spell. Be part of this intriguing story where emotions come to life. Who will dare to steal the magic quill and set the circus free?
